Note: The list of covered treatments, maximum yearly benefit, income limits and tumor types accepted may be changed without notice. Check our website at <http://braintumorcopays.org> for the current information!

Apply online at
BrainTumorCopays.org

or call us at :
1-855-426-2672

Income Qualifications

The chart below shows the maximum family income. Family income is defined as the gross adjusted income from all of the people that live in your household, as shown on the most recent federal tax returns.

However, if you have special circumstance, such as loss of job of the patient or the the caregiver, contact us and we can take that into consideration!

# of People In Family	Max Family Income
1	\$57,450
2	\$77,550
3	\$97,650
4	\$117,750
5	\$137,850
6	\$157,950
7 (or more)	\$178,050
